

2021 CAMP UNTIL A CURE

Important Information

Here at the DYFI, we are excited for camp to start! The staff will undergo an extensive training program to ensure that your child's stay is both enjoyable and safe. We are aware of the significance of the trust you have placed in us by enrolling your child in our camping program. All of us at the Diabetes Youth Foundation of Indiana's Camp Until a Cure will do our very best to show you that this trust was well placed. Please relax and enjoy the time that your child spends with us. We are confident your child will have a great time while learning more about managing diabetes.

MAIL: Getting mail at camp is exciting for any child. It takes a few days for mail to get to us; mail sent after Wednesday of your child's session will probably not arrive in time. Use the following address.

Child's Name
C/O Camp Until a Cure
5050 East 211th Street
Noblesville, IN 46062

Don't be surprised if you don't hear back from your child during his or her stay at camp. This often means that things are going well. We will encourage letters home. Please pack paper, envelopes, and stamps if your camper is interested in writing home.

Additionally, you may sign up for Bunk1 email which is much quicker (arrives daily each morning.) Information for Bunk1 email will be handed out at check in.

PHONE: Due to a limited number of phone lines, we do not permit children to make routine calls. Also, we have found that calls home usually results in homesickness. If an emergency should arise, contact Jenna White: 317-750-9310 or Emily Butera (317-695-6485)
