

# CAMP UNTIL A CURE

## Important Information

Here at the DYFI, we are excited for camp to start! The staff will undergo an extensive training program to ensure that your child's stay is both enjoyable and safe. We are aware of the significance of the trust you have placed in us by enrolling your child in our camping program. All of us at the Diabetes Youth Foundation of Indiana's Camp Until a Cure will do our very best to show you that this trust was well placed. Please relax and enjoy the time that your child spends with us. We are confident your child will have a great time while learning more about managing diabetes.

C/O Camp Until a Cure  
5050 East 211th Street  
Noblesville, IN 46062

*Don't be surprised if you don't hear back from your child during his or her stay at camp. This often means that things are going well. We will encourage letters home. Please pack paper, envelopes, and stamps if your camper is interested in writing home.*

Additionally, you may sign up for Bunk1 email which is much quicker (arrives daily each morning.)  
Information for Bunk1 email will be handed out at check in.

**PHONE:** Due to a limited number of phone lines, we do not permit children to make routine calls. Also, we have found that calls home usually results in homesickness.
